

# SLEEPING WITH FISHES

The "Sleep with the fishes" activity will begin at 8:00 PM and end at 8:00 AM the following morning.

Two Aquarium staff members will greet the group at the entrance and, after explaining the rules of the activity, will begin a guided tour of the facilities.

The tour will include several stops in the most important themed areas, providing a fun and educational experience.

At the end of the tour, the group will be escorted to a dining room.

After dinner, and as agreed, participants can watch a film, play an educational game, or go directly to the 360° tunnel to sleep among the marine life.

At 7:00 AM, the group will be woken to collect their belongings, and breakfast will be served.
